

Defining Iran: Politics of Resistance

The Essential Guide to Understanding Iranian Foreign Policy

In the wake of the Iranian Revolution of 1979, the Islamic Republic of Iran emerged as a major player on the international stage. Its unique brand of revolutionary ideology and its defiance of Western powers have made it a constant source of fascination and concern.

Defining Iran: Politics of Resistance is the definitive guide to understanding Iranian foreign policy. This comprehensive book provides an in-depth analysis of the historical, ideological, and strategic factors that shape Iran's behavior on the international stage. Written by a team of leading experts, *Defining Iran* is a must-read for anyone interested in the Middle East, international relations, or global security.
