The book is divided into three parts. The first part, "Histories of Empire and Indigeneity," provides a historical overview of the relationship between empires and indigenous peoples, from the early days of European colonialism to the present day. The second part, "Legacies of Empire and Indigeneity," examines the lasting impact of colonialism on indigenous communities, including the loss of land, culture, and sovereignty. The third

part, "Decolonization and Indigeneity," explores the ongoing struggle for decolonization and the resurgence of indigenous rights movements around the world.

Empire and Indigeneity: Histories and Legacies is a must-read for anyone interested in the history of colonialism, indigenous rights, and the ongoing struggle for decolonization. This book provides a valuable contribution to the growing body of scholarship on empire and indigeneity, and it is sure to inspire further research and debate on this important topic.

Reviews

"Empire and Indigeneity: Histories and Legacies is a major contribution to the field of indigenous studies. This book provides a comprehensive and thought-provoking analysis of the complex and often fraught relationship between empires and indigenous peoples. A must-read for anyone interested in the history of colonialism, indigenous rights, and the ongoing struggle for decolonization." - **Dr. Linda Tuhiwai Smith, University of Waikato**

"Empire and Indigeneity: Histories and Legacies is a timely and important book. This book sheds light on the devastating impact of colonialism on indigenous cultures, economies, and societies, while also highlighting the resilience and resistance of indigenous communities in the face of adversity. A valuable contribution to the growing body of scholarship on empire and indigeneity." - **Dr. Eve Tuck, University of Toronto**
