Here is an excerpt from the book:

***“I was so lost. I didn't know who I was anymore. I had lost everything that mattered to me. My family, my friends, my job, my home. I was alone and I was broken.***

***But I knew that I couldn't give up. I had to keep fighting. I had to fight for my life, even if it seemed like all hope was lost.***

***I started by reaching out to the people who loved me. I told them what I was going through, and I asked for their help. They were there for me, every step of the way.***

***With their support, I began to rebuild my life. I went to therapy, I got a job, and I started to make new friends. It wasn't easy, but I was determined to make a better life for myself.***

***Today, I am a happy and healthy woman. I am grateful for the people who helped me along the way, and I am proud of the woman I have become.”***
