Now, for the first time, Sheeran's extraordinary memoir, *From the Mob to the Movies*, is available to the public. Co-authored by acclaimed author Charles Brandt, this explosive account offers an unparalleled glimpse into the violent and enigmatic world of the American Mafia.

### From the Back Alleys to Hollywood Glamour

Frank Sheeran's journey began in the tough streets of Philadelphia, where he learned the brutal lessons of survival. As a young man, he was recruited into the Bufalino crime family, one of the most powerful organized crime syndicates in the country. His exceptional skills as a hitman and enforcer quickly earned him notoriety within the mob.

However, Sheeran's life took an unexpected turn when he met Francis Ford Coppola, the legendary filmmaker. Coppola was fascinated by Sheeran's unique experiences and offered him a role as a technical advisor on the acclaimed film *The Godfather*. Sheeran's involvement in the film industry opened up a new world of possibilities, offering him a chance to escape the darkness of his past.

## **The Disappearance of Jimmy Hoffa**

One of the most compelling aspects of *From the Mob to the Movies* is Sheeran's firsthand account of the enigmatic disappearance of Teamsters Union president Jimmy Hoffa. Hoffa vanished without a trace in 1975, and his fate has remained a mystery to this day.

Sheeran's memoir provides startling new insights into the circumstances surrounding Hoffa's disappearance. He claims that he was personally involved in Hoffa's killing and reveals the shocking details of the events leading up to it.

## **A Journey of Redemption**

In the latter years of his life, Sheeran sought to atone for his past actions. He became a devout Catholic and spent countless hours volunteering at soup kitchens and homeless shelters. He also worked tirelessly with Brandt to write his memoir, hoping to share his story as a cautionary tale and a testament to the power of redemption.

## **Praise for *From the Mob to the Movies***

"A riveting and unforgettable memoir that offers a rare glimpse into the darkness of organized crime and the possibility of redemption. Frank

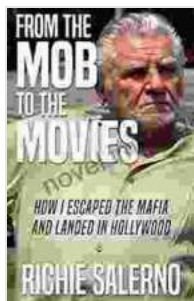

Sheeran's story is a cautionary tale and a testament to the enduring power of the human spirit." - James Ellroy, author of *L.A. Confidential*

"An explosive and brutally honest account that will leave readers breathless. Sheeran's memoir is a masterpiece of true crime writing that is both shocking and profoundly moving." - Don Winslow, author of *The Force*
