In this groundbreaking book, Dr. Ross Greene, a leading expert on child behavior, offers a compassionate and evidence-based approach to helping noncompliant children. Drawing on over 30 years of research and clinical experience, Dr. Greene provides a roadmap for understanding and changing your child's behavior for good.

### What You'll Learn

In *Helping The Noncompliant Child*, you'll learn:

- Why noncompliant children behave the way they do

- How to identify and address the underlying causes of noncompliance
- Effective strategies for managing challenging behavior without resorting to punishment
- How to build a strong and cooperative relationship with your child
- How to create a supportive environment that promotes positive behavior

## **The Second Edition**

The second edition of *Helping The Noncompliant Child* has been extensively updated and revised to reflect the latest research and clinical developments. New chapters have been added on topics such as:

- The role of trauma in noncompliance
- Helping children with ADHD and other neurodevelopmental disorders
- Working with schools and other professionals to support noncompliant children

## **Endorsements**

"Dr. Greene's book is a must-read for any parent or professional who is struggling to help a noncompliant child. His compassionate and evidence-based approach offers a roadmap for understanding and changing your child's behavior for good." – **Dr. Daniel Siegel, author of *The Whole-Brain Child***

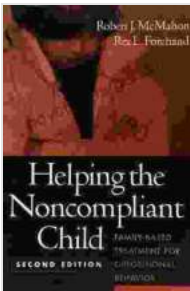

"Helping The Noncompliant Child is a groundbreaking book that offers hope and guidance to parents and professionals who are struggling with

challenging behavior. Dr. Greene's approach is both effective and compassionate, and I highly recommend it." – **Dr. Edward Hallowell, author of *Driven to Distraction***
