**Student** : Sir, my examination is round the corner. Can you give me some instructions as to how I should prepare?

**Teacher** : Certainly! But at first, get rid of your mobile. That is a major distraction.

**Student** : Ok, sir.

**Teacher** : Read your texts thoroughly, for you must have all the information while you study.

**Student** : Sir, I have a problem in memorizing.

**Teacher** : Instead of learning, try to understand it. Try to concentrate on one major theme at a time until you grasp it well.

**Student** : Sir, a few of my friends were planning to do group study. Will it be useful?

**Teacher** : Yes, definitely. You also must solve old question papers because those will help you get acquainted with the format of the questions.

**Student** : Thank you, sir.

**Teacher** : If you need anything else, let me know.

**Student** : Sure, sir.
